WASHER FUEL BOWL FOR CESSNA AIRCRAFT

Washer Fuel Bowl for Cessna Aircraft - MC0756015-1.
P/N 01-01354 .....**$34.50**

CESSNA UNIVERSAL JOINT KIT

A universal joint attaches to each control yoke shaft behind the instrument panel. Replacement of the universal joint is recommended if any free motion or rust around the joint pivots is detected. McFarlane also has FAA-PMA approval for the protection sleeve that slides over the universal joint to reduce vibration wear and act as a safety device. The sleeve is included with every MC0411257 universal joint. Each convenient kit includes nuts and two bolt sizes; only two of the four bolts provided are required when installing the universal joint.....P/N 05-22942 .....**$496.00**

SEE OUR WEBSITE FOR AIRCRAFT ELIGIBILITY LIST.
