

## PRODUCT DATA

## PHYSICAL CHARACTERISTICS

Color	Brown	Volume Solids	>90%
Appearance	Clear	Film Thickness	0.0004" in typ.
Odor	Fresh Scent	рН	NA
Specific Gravity @ 15.6°C	0.880	Vapor Pressure @ 38°C	1mm Hg.
Viscosity, cSt @ 40°C	47.3	Solubility in Water	Slightly Emulsifiable
cSt @ 100°C	7.0	Boiling Point	>200°C
Flash Point c.o.c.	>132°C	Weight per Gallon	7.1 lbs.
Non-toxic		Non-toxic	
		Coverage	up to 4,010 sq.'

## PERFORMANCE PROPERTIES

Corrosion Protection:	Salt Spry, hrs.	96	ASTMB-117
	(Film Thickness)	0.19 mils	
	Humidity Cabinet, hrs.	1320	ASTMD-1748
Electrical:	Dielectric Strength	>39,000V	ASTMD-877
Lubrication:	Anti-Wear	0.40 mm*	ASTMD-4172

<sup>\*</sup>Note: The smaller the number, the better the performance. A standard lubricating oil of the same viscosity would yield a value of 1.0 - 1.2 mm.

## **COMPATIBILITY WITH MATERIALS**

**<u>Rubber:</u>** No visible effect on Buna-N, Viton or Neoprene products. Slight swelling and/or softening of butyl rubber items.

<u>Adhesives and Sealants:</u> Usually no effect but some adhesives may soften and sealants with silicone may experience slight swelling. Recommend a small test sample prior to widespread application.

**Painted Surfaces:** Paints typically used on aircraft, automobiles and machinery are unaffected by CorrosionX. Polishes and some wax coatings may soften by the application of *any* hydrocarbon product.

<u>Plastics:</u> CorrosionX is compatible with most commonly-encountered plastics such as: Acrylic, Polyester, Nylon, Vinyl, Delrin, PTFE, Formica, Polyethylene and Polypropylene. Should there be any question when other types of plastics are involved, it is suggested a small sample be tested.

**Fabrics:** CorrosionX will be absorbed into the fibers of most fabrics, thereby creating slight staining. The stain is not permanent and may be removed with naphtha or mineral spirits.

**Storage:** Bulk: Store at room temperatures (50°F or more). Aerosols not more than 120°F.

**Shelf Life:** Bulk: Indefinite (as long as container remains capped). Aerosols: 3 years
