

STRATUS
POWER

TAKE FLIGHT.
TAKE CHARGE.

\$349

PLUG IN WITH THE MOST AFFORDABLE TSO-CERTIFIED CHARGING PORT.

Enjoy the convenience of USB power in your aircraft — delivered by the durable, high-quality engineering that you expect with the Stratus name.

- ✓ **2.5 AMPS PER PORT**
With enough power to charge two full-size iPads while they're in use, Stratus Power™ can be used with any combination of portable electronic devices.
- ✓ **NO RADIO NOISE**
Stratus Power is radio-shielded, so you won't experience NAV/COM interference like you do with cheap electronics.
- ✓ **EASY TO INSTALL**
Like all Stratus products from Appareo, Stratus Power was designed for quick and easy installation.

FEATURES

**INCLUDES DUAL 2.5 AMP USB-A
