ORAL EXAM GUIDES

ASA Oral Exam Guides were written to help applicants prepare for their oral exams with FAA examiners. Examiners ask a lot of questions during the oral portion of the checkride, and thorough preparation is key to success. Using a question-and-answer format, each Oral Exam Guide lists the questions most likely to be asked by examiners and provides succinct, ready responses. Pilots will find the Oral Exam Guides indispensable tools in both planning for what to expect during the airplane checkride, and mastering the subject matter.

| Model | Description | Part No. | Price |
|--------------|--|----------|---------|
| OEG-ADX | Aircraft Dispatcher Oral Exam Guide | 13-18470 | \$35.85 |
