

3CHEM COATINGS

3 CHEM SOLVENTS, REDUCERS, AND THINNERS

3Chem solvents, reducers, and thinners are formulated to support aircraft painting, refinishing, surface preparation, and cleanup applications. Engineered for reliable compatibility with a variety of aerospace coating systems, these products help promote proper viscosity, smooth application, and consistent professional-quality results for aircraft maintenance and restoration projects.

Description	Part No.	Price
3Chem Acetone 55 Gallon	09-06252	.
3Chem Acetone 5 Gallon Can	09-06253	.
3Chem Acetone-Gallon Can	09-06557	.
3Chem Toluene Gallon	09-06324	.
3Chem Toluene 5 Gallon	09-06325	.
3Chem Toluene QT	09-06326	.
3Chem VM&P Naphtha Gallon	09-06327	.
3Chem VM&P Naptha 5 Gallon	09-06328	.
3Chem VM&P Naphtha Quart	09-06329	.
3Chem Methyl Ethyl Ketone MEK 1 Gallon	09-06296	.
3Chem Methyl Ethyl Ketone 5 Gallon	09-06297	.
3Chem Methyl Ethyl Ketone Mek Quart	09-06298	.
3Chem Mineral Spirits 55 Gallon Drum	09-06299	.
3Chem Mineral Spirits Gallon	09-06300	.
3Chem Mineral Spirits Quart	09-06301	.
3Chem TY 1 Gallon	09-06281	.
3Chem Nitrate Thinner - Gallon	09-06283	.

EPOXY PAINT PRODUCTS

3Chem epoxy paint products are engineered to provide durable, high-performance finishes for aircraft applications. Designed for excellent adhesion, chemical resistance, and long-lasting protection, these coatings help deliver a smooth, professional appearance while supporting the demands of aircraft maintenance, restoration, and refinishing projects.

Description	Part No.	Price
3Chem Epoxy Gloss Insignia White Gal Kit	09-06285	.
3Chem Epoxy Gloss Pacific Blue 2 Qt Kit	09-06286	.
3Chem Epoxy Flat International Black 2 Qt Kit	09-06287	.
3Chem Epoxy Flat Ivory White 2 Qt Kit	09-06288	.
3Chem Epoxy Primer Yellow 2 Oz Kit	09-06302	.
3Chem Epoxy Primer Yellow 2 Gal Kit	09-06303	.
3Chem Epoxy Primer Yellow 2 Qt Kit	09-06304	.
3Chem Epoxy Primer Yellow Gal Kit	09-06305	.
3Chem Epoxy Primer Green 2 Oz Kit	09-06319	.
3Chem Epoxy Primer Green 2 Gal Kit	09-06320	.
3Chem Epoxy Primer Green 2 Qt Kit	09-06321	.
3Chem Epoxy Primer Green Gal Kit	09-06323	.
3Chem Epoxy Thinner Qt	09-06278	.
3Chem Epoxy Thinner Gal	09-06279	.
3Chem Water Reducible Epoxy Primer Lt Green 2 Gl Kit	09-06314	.

ACID ETCH PRIMERS

3Chem acid etch primers are formulated to promote strong adhesion and prepare metal surfaces for topcoat application in aircraft finishing and refinishing processes. Designed to help improve coating performance and corrosion resistance, these primers create a uniform foundation for durable, professional-quality results.

Description	Part No.	Price
3Chem Acid Etch Primer Yellow 1.75 Gal Kit	09-06315	.
3Chem Acid Etch Primer Yellow 1.75 Qt Kit	09-06316	.
3Chem Acid Etch Primer Green 1.75 Gal Kit	09-06317	.
3Chem Acid Etch Primer Green 1.75 Qt Kit	09-06318	.
3chem Acid Etch Thinner Qt	09-06284	.

ZINC CHROMATE PRODUCTS

3Chem zinc chromate products are formulated to provide dependable corrosion protection and surface preparation for aircraft structures and components. Designed to support strong coating adhesion and long-term durability, these products help protect metal surfaces while creating a reliable foundation for aircraft finishing and maintenance applications.

Description	Part No.	Price
3Chem Zinc Chromate Yellow 11oz Aerosol	09-06306	.
3Chem Zinc Chromate Yellow 5 Gal	09-06307	.
3Chem Zinc Chromate Yellow Qt	09-06308	.
3Chem Zinc Chromate Yellow Gal	09-06309	.
3Chem Zinc Chromate Green 11 Oz Aerosol	09-06310	.
3Chem Zinc Chromate Green 5 Gal	09-06311	.
3Chem Zinc Chromate Green 2 Qt Kit	09-06322	.
3Chem Zinc Non Chromate Green Primer Qt	09-06312	.
3Chem Zinc Chromate Green Gal	09-06313	.
