

CHARGERS – LIGHTNING CABLES

SCOOCH JUICECORD 4-IN-1 60W CHARGING CABLE

THE ULTIMATE 4-IN-1 CHARGER: This versatile charging cable comes with detachable adapters that give you four charging options in one convenient design. With the ability to convert between USB-A, USB-C, and Lightning, you can charge USB-A to USB-C, USB-C to USB-C, USB-C to Lightning, or even USB-A to Lightning—all with a single cable. **ADAPTERS ON-DEMAND:** The included adapters easily attach and detach from the cable ends and are secured with a built-in plastic lasso, keeping them out of the way when not in use. You'll never lose an adapter again! **FAST CHARGE CAPABILITY:** With 60W of power, this cable ensures fast charging for all your compatible devices. Pair it with the Scooch JuicePlug 20W charging block for an unbeatable power duo. P/N 13-26025

SCOOCH JUICEPLUG - 20W FAST CHARGER

DUAL PORT CONVENIENCE: This charger features both USB-A and USB-C ports, allowing you to charge multiple devices simultaneously. Perfect for both newer and older devices. **FAST CHARGING CAPABILITY:** With 20W of power, this charger delivers rapid charging for compatible devices. Ideal for quick power-ups when you're short on time. **UNIVERSAL COMPATIBILITY:** Works with a wide range of devices, including smartphones, tablets, and other USB-powered gadgets. Compatible with both Apple and Android devices. Dual USB A and C - White P/N 13-26021 Dual USB A and C - White 2 Pack P/N 13-26022

STRIKELINE® 2-IN-1 2-IN-1 USB-C TO USB-C/LIGHTNING CABLE

A unique 2-in-1 design allows you to select either the USB-C or MFi-Certified Lightning connector. The woven fabric jacket provides flexibility and strength while being designed for durability and style. USB-C To USB-C/Lightning Black 4Ft Cable P/N 13-26347 USB-C To USB-C/Lightning White 4Ft Cable P/N 13-26348

SCOSCHE STRIKELINE® HEAVY DUTY PREMIUM USB-A TO USB-C CHARGE & SYNC BRAIDED CABLE

Designed for fast transfer rates and high-efficiency charging and syncing of standard USB Type-A devices or chargers to the latest and greatest USB Type-C devices. Certified to ensure 100% compatibility with USB Type-C products such as Smartphones, Hard Drives and other mobile devices. The symmetrical Type-C connector allows users to conveniently insert the charge and sync cable either side up without the hassle of finding the correct side. The reinforced and extended cable housing provides strain relief at the crucial point of bending/twisting. The braided cable design helps avoid any tangling in the cable. Works with the iPad Pro or iPad Air (USB-C versions), Google Pixel, Samsung Galaxy and is also backward compatible with any other standard USB Type-C or USB Type-C PD equipped devices when connected to a standard USB Type-A port or wall charger. USB-C Connector. Slim-Tip Design. Heavy-Duty Strain Relief.
